20 August 2002

Dear Mr Glyde

**Patents Act 1977: Patents Rules 1995**  
**Your application for a patent**

**Title:** Floating blade plectrum

Thank you for your patent application which has been given the filing date of 7 August 2002. It has been given the number GB 0218294.7. Please quote this number whenever you contact this Office.

You should read this letter and its enclosures carefully. If there is anything you do not understand, please write to this Office or telephone me on (01633) 814019.

To help you understand some of the requirements of patent law and the stages an application must pass through before a patent is granted, I enclose a booklet called "*How to prepare a UK patent application*". You should read it carefully and keep it for reference.

**What you must do next**

If you decide to continue with your application you must request Preliminary Examination and Search (please see paragraphs 29 to 41 of the enclosed booklet).

To make your request you should use the enclosed Patents Form 9/77 which you should complete

†Use of E-mail: Please note that e-mail should be used for correspondence only.
